

PRINTRONIX®

Genuine Consumables

Say **YES** to Printronix & TallyGenicom Genuine Consumables

For more than 40 years, Printronix has been addressing global customer needs for mission-critical industrial printing. The value of an industrial printing solution is measured by the quality and reliability of the output it produces. Therefore, to have a quality printout, you need quality ribbons.

WHAT ARE THE BENEFITS OF USING GENUINE CONSUMABLES?

- ▶ **Backed by Manufacturer Warranty = Printronix stands behind its products**
- ▶ **Reliable Quality & Performance = Deliver print output with consistent and expected print quality and page yield**
- ▶ **Less IT Interventions = Reduce downtime, therefore contributing to a lower total cost of ownership**

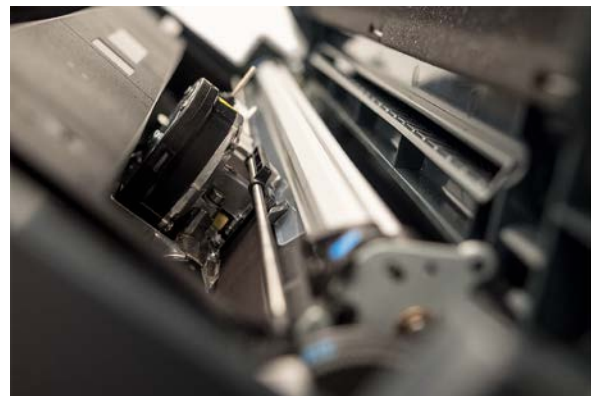

Manufacturing consumables is a highly precise science requiring the correct fabric characteristics and ink chemistry.

Genuine Printronix & TallyGenicom ribbons deliver optimal and consistent print quality along with a lower total cost of ownership

Printronix Serial Dot Matrix Cartridges

Printronix S809/S828 serial dot matrix printers offer a highly reliable, sustainable, and cost effective solution for generating a wide range of transactional supply chain documents. The genuine Printronix serial dot matrix ribbon will provide reliable, high-speed operation when you need it most.

- **HIGH YIELD RIBBONS** = The Extended Life Cartridge Ribbons deliver best in class yield (25M Characters) as they are uniquely designed to function with the ribbon shifter mechanism in the S809/S828 that moves the ribbon up & down during printing to allow for maximum ink depletion. As a result, user intervention and cost of ownership are minimized.
- **QUALITY YOU CAN COUNT ON** = The genuine Printronix S809/S828 Extended Life Cartridge Ribbons are precision engineered to deliver the best possible print quality throughout the life of the ribbon – right out of the box.
- **AVAILABLE IN** both Specialty Label and Extended Life Cartridge Ribbon to give you the best results at a lower operating cost per page

Printronix Line Matrix Cartridge Ribbons

Optimized for our latest generation P8000/P7000 Line Matrix printers, the P8000/P7000 Cartridge Ribbons provide a flexible design, adaptable functionality and manageable savings to achieve the lowest total cost of ownership.

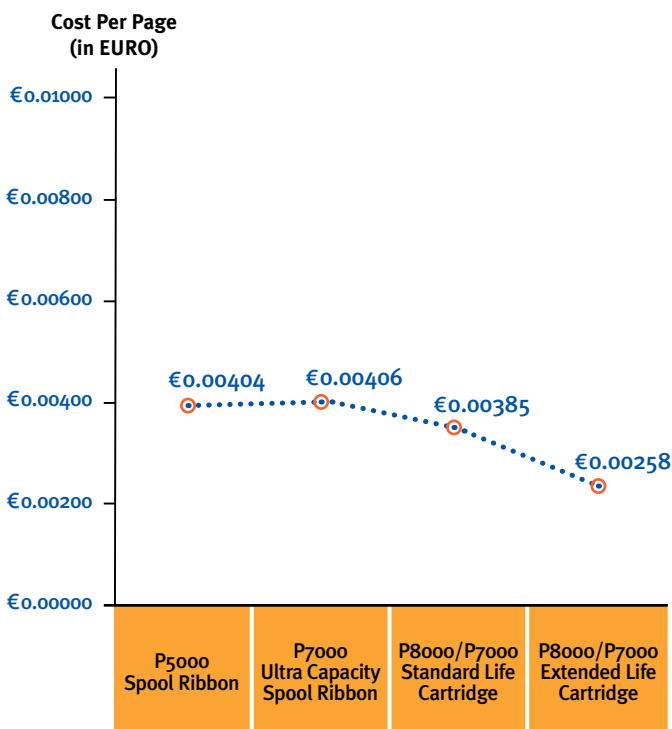

- **LONGER LASTING INK** = Fewer ribbon changes yield more productivity and contribute to a lower cost of ownership.
- **LEADING EDGE RIBBON TECHNOLOGY** = Less IT interventions reduce downtime, with a patented ribbon jam prevention system. The high-density ribbon yields a longer life and a darker print quality.
- **EMBEDDED MICROCHIP** = Provides precise, integrated control over ribbon life, print quality and operating costs. Productivity is improved by preventing interruptions of long print runs.
- **EASY TO INSTALL** = With the self contained cartridge ribbon, changing ribbons is easier, cleaner and faster when compared to spool ribbons and laser toner cartridges.
- **ENVIRONMENTAL ADVANTAGE** = Printronix cartridge ribbons are far more sustainable than laser toner cartridges as they contribute substantially less consumables waste, and allow for printing on paper containing a higher percentage of recycled content.

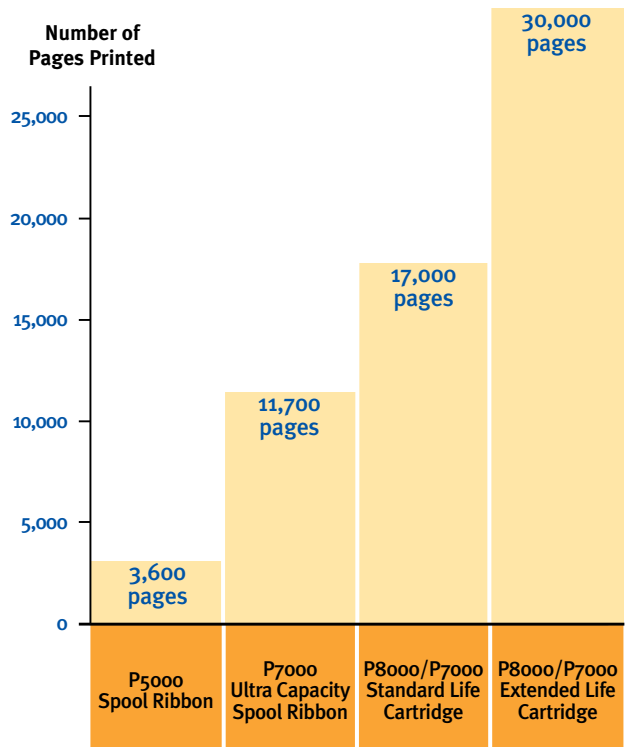

Up to 20% Improvement in Consumable Cost Per Page

In comparison to the previous generation line matrix spool ribbon, cartridge ribbons are designed to perform far better for less cost, requiring less user intervention, and generating the least possible amount of consumables waste—yielding unmatched sustainability and an ultra low total cost of ownership.

Cost Per Page Comparison*

Page Yield Per Cartridge*

* Cost Per Page Comparison and Page Yield Per Cartridge based on ISO LSA Page, 8.5" x 11" letter-size, approximately 5% page coverage.

EMEA PRINTRONIX & TALLYGENICOM GENUINE CONSUMABLES

Printer Family	Part No.	Description	Number of Characters / Pages	Pack Size	Compatible Printer Models
LINE MATRIX PRINTERS					
P8000/7000 Cartridge Series	255049-101	Standard Life, Single Pack	17,000 pages	1	500, 1000, 1500, 2000 lpm
	255049-401	Standard Life, 4-pack	17,000 pages	4	500, 1000, 1500, 2000 lpm
	255048-401	Extended Life	30,000 pages	4	1000, 1500, 2000 lpm
	255542-401	Security Ribbon (Inkless)	18,000 pages	4	500, 1000, 1500, 2000 lpm
	256449-401	Specialty Label (OCR) for Barcode Printing	11,360 pages	4	500, 1000, 1500, 2000 lpm
P8000/7000 Cartridge HD OpenPrint Series	255050-401	Extended Life HD	34,000 pages	4	OpenPrint HD
P7000 Spool Series	179499-001	Ultra Capacity Ribbon	81 million characters	6	500, 1000, 1500, 2000 lpm
	255165-001	Ultra Capacity HD Ribbon	63 million characters	6	HD, HDZT
	179488-001	Label Ribbon	5,460 AIAG labels	6	All P7000 spool printers
P5000 Spool Series	107675-001	P5000 Text & OCR Ribbon	27 million characters	6	Small spool P5000 printers
	107675-007	P5000 Extended Life Text & OCR Ribbon	45 million characters	6	Large spool P5000 printers
	175220-001	P5000 Gold Series 2000 Ribbon	64 million characters	12	P5220, P5224
