

Service You Can Trust. Guaranteed.

Our Service Starts Where the Carpet Stops

You need a brand that knows tough and harsh operating environments, where the floors are concrete, not carpet and where the operating environment is hot, cold, humid and harsh. We know tough, that's why you can count on Printronix service for all your critical service and maintenance needs to keep you up and running.

Trust Printronix Service for Your Mission-Critical Equipment

Industry Leader

- ▶ Industrial printer manufacturer and service leader for over 45 years
- ▶ Reliable support for mission-critical equipment in factories, warehouses and distribution centers (DC's)

Service Performance Guarantee

- ▶ No matter how many repairs or service calls are needed, you don't pay extra
- ▶ If we can't fix it, we will replace your mission-critical equipment*

Global Support

- ▶ Network of offices around the world
- ▶ ISO 9001 Worldwide Certification

On-Site Service Performed by Printronix Certified Technicians

- ▶ Our technicians are properly trained to service your products according to strict manufacturer standards and abide by our code of ethics
- ▶ Our factory certified techs know their stuff and will get you back online with minimum downtime

Genuine Factory Certified Parts
